Hey PC friendos!

Please read the full caption for important information regarding our upcoming AGM!! Join us at our **Annual General Meeting** in just over a week, on 📅**Wednesday the 4th of October** at 🕐**12pm**, in 📍**Centenary Room 140** at the Sandy Bay Campus. There will be free snacks!

This will involve a review of PC's extremely successful first year, a discussion around the future direction of the Programming Club, as well as, most importantly, voting in the shiny new 2024 committee!! Please follow this link for more information on and to express interest in running for a committee role:

‼Being on the committee is a great opportunity to hone teamwork and communication skills before hitting the workplace which employers, especially within the ICT Industry (as discussed at our recent ICT Professional Panel event this past Friday!!), love and look out for. So, being on this committee will actually increase your employability! Give it a go!! 😄

You do not need to be a student to run for the committee, but you must be a club member.

This event is for members only, and will also be fully accessible online, so if you are already a member, check your inbox (whichever email is linked to your QPay account) for the Zoom link, otherwise please become a member by following this link, and the AGM link will be automatically emailed to you: https://programmingclubmembership.getqpay.com/ 😁

The agenda for the meeting is as follows:

- Welcome
- Presidential Report of Year
- Financial Reports for the Year
- Vote to introduce new Committee Roles
- Vote to fill Committee Roles, including new ones
- Congratulations to new Committee
- Thank you
- Snacks and mingling

The proposed new committee roles are:

- 1 x Tech Support
- 4 x General Members
